Dear Sir/Madam!

The Ministry for Transport, Innovation and Technology (as Austrian Civil Aviation Authority) has approved the amendment of the Airport Charges, which will come into effect on

1 January 2025

Airport Charges will be changed as follows:

Passenger, Landside Infrastructure, Security Charge	+ 5,10 %
Landing, Parking and Airside Infrastructure Charge	+ 5,10 %
PRM Charge	€ 0,87/PAX

Incentive Program: In order to strengthen existing routes, a stability bonus will be added to the incentive program from **1 January 2025**. For more details, please refer to <https://www.salzburg-airport.com/en/business-aviation/aviation/airport-charges-conditions>

Noise Reduction Charge: In the interest of equal treatment, the exemption for helicopters will no longer apply from **1 January 2025** and they will also be included in the noise reduction charge. Furthermore, aircrafts in group SZG I will be granted a 20 % discount (previously 10 % discount) on the landing charge from **1 January 2025**.

Handling Charges (incl. Single Services, De-Icing-Liquids and excl CUPPS) will be increased by **5,10 %** from

1 January 2025

Hangar Charges will be increased by **5,10 %** from

1 January 2025

We kindly ask for your understanding for this increase, which is unfortunately unavoidable due to rising personnel costs, energy, raw materials and inflation.
